The Society's annual '**Celebrate BTW**' conference is held to honor the 1856 birth of a great American, Dr. Booker T. Washington. Ambassador Scholars and their parent/mentors meet and learn from notable speakers at lunch, dinner and panel discussions and enjoy special treats: a visit to The AA Soldiers of the Civil War Museum and a dinner and private evening tour of the Mt. Vernon home of George Washington (acknowledged as, "the other great American Washington").
